

## FMDC

FMDC (façades and materials design consultants) specialises in façade design and material consultancy. Founded in 2014, the practice has quickly become the leader in their field.

### Objectives

- ▶ Design and build a website that is competitively priced and easily updated, while showcasing the experience and expertise of this new consultancy firm.

### Solution

After an initial consultation, we prepared a detailed proposal which included the design and build of a new website and a marketing strategy with options to be used as the business developed.

### Services

- ▶ Design and build new Wordpress website including copywriting and basic SEO.
